Close to Jubail Industrial City yet pleasantly secluded within 12 acres of private beach and gardens, the InterContinental Al Jubail is both a 5-star business hotel and an elegant resort on Saudi Arabia's Gulf coast. Here you can host a dazzling corporate event, join friends for tennis and relax by the pool with complimentary Wi-Fi. Ask the concierge to arrange a day of fishing and diving over coral reefs in the Arabian Gulf, then sail back for sunset drinks and a prime steak dinner.
